NEW FAMILY PRAYERS,
Dedicated to the Rev. Dr. Horne, Vice-Chancellor
of the University of Oxford, and Chaplain in Or-
dinary to the King.

THE NEW
UNIVERSAL PRAYER-BOOK;
Or, A Complete System of
FAMILY DEVOTIONS:

Designed for the Use of PROTESTANTS of all
Denominations.

Containing Forms of Prayer for every Morning and
Evening in the Week, with suitable Meditations and
Reflections. Also, Particular Prayers and Thank-
sgiving for every Occasion and Circumstance in Life.
Likewise, A Practical Discourse upon the Nature and
Institution of the Christian Sabbath. Including an
Introduction, recommending the Practice of Family
Worship and Social Religion.

By the Rev. JOSEPH WORTHINGTON, L.L.D.
Late of Queen's-College, Cambridge.

* * It is presumed the many similar Performances
already offered to the World under the Titles of *Ma-
nuals, Forms of Prayer, &c.* do not at all set aside the
Necessity of publishing a *Book of Family Prayers upon
the above Plan*, which will be found entirely original,
and not compiled from any former Books of Devotion.
The Author has kept Divine Revelation alone in
View, and maintained throughout the whole the most
liberal and enlarged Principles, in order that his La-
bours may be suited to pious Christians of every De-
nomination; for an unwarranted Attachment to any
particular Opinions, is what he has cautiously avoided.
The Size in which this Work is printed, it is hoped,
will also be esteemed a great Recommendation. It is
larger and much more convenient for Use in Families,
than the common small Size in which most other Books
of the Kind are printed.

Elegantly printed on superfine Paper, in large Oc-
tavo, price 2s. 6d. sewed, or neatly bound

The HORSEMAN'S SURE GUIDE;
Or, Every Man his OWN FARRIER.

Containing every thing relating to the Art of Farriery, and the proper Management of Horses. Being a new and much more complete Book of Farriery and Horsemanship, than any hitherto published. Of the great Variety of Articles comprized in this New Publication, we can here only mention the following general heads. A practical Treatise on all the various accidents and disorders to which horses are liable, wherein are given a full explanation of the most efficacious and approved methods of curing the several Distempers, &c. and useful cautions and observations concerning their Symptoms; by which any person may manage his own Horses, and cure their disorders in the best manner, without applying to a Farrier. Likewise, Important Advice respecting the buying and choice of Horses; setting forth there real qualities, and guarding the reader against all their blemishes, particularly those of the eyes, legs, wind, &c. Together with the best Instructions for Riding, which alone will be absolutely sufficient, with a little practice, to make any person ride in a graceful manner, and perform a journey with ease and pleasure. To which are added, Ample Directions for the treatment of post chaise and other travelling Horses after violent exercise; A list of the materials, medicines, ointments and drugs, which a Gentleman Farrier should keep by him: And many other useful particulars worthy the perusal of all persons concerned in Horses.

By JOHN MAPLES, of *North-Allerton*.

The whole being the result of many Years observation and successful practice upon the Author's own horses.

* * It is presumed, that an attentive perusal will soon convince every Reader of the superior excellence of this New Work, which is offered as a valuable improvement on every former publication of the kind.
